Federal Title & Escrow Company

For nearly 25 years, our independently owned title company has leveraged technology to streamline the closing process, providing top-notch service at a competitive price for buyers, sellers, agents and lenders across the District of Columbia, Maryland and Virginia.

We are proud pioneers of creating a better closing experience for buyers, sellers, agents and lenders.

Our instant REAL Credit™ for ordering settlement services online has saved our neighbors upward of \$18 million to date.

Our paperless, custom-built closing workflow software allows us to proactively keep customers in the know and avoid settlement surprises.

Our free mobile app Close It!™ helps homebuyers and their agents better understand the complete cost to be paid at closing.

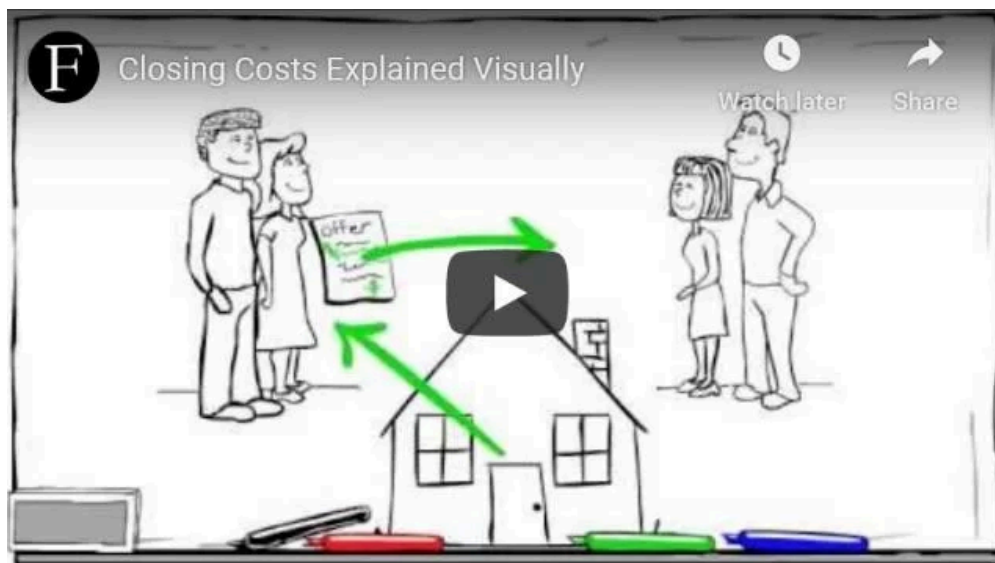

Often imitated but never replicated – we set the bar other title companies aspire to reach.
